

WEEK OF THE MONEY

These week ,was the week of the money. There came a man in our classroom. He works with insurance. His name was Spencer. We were playing a game Fix your risk. We have played that in groups of 4 – 5 peoples. It was a game with cards to win. He told us about money and learned us a lot about spending and keeping your money safe. It was really fun !

Greetings of **Suman** en **Cheyenne**
