

Put shoe for Sinterklaas

We put our shoes for Sinterklaas. We got kruidnoten in our shoes. Then we had to find our gifts.

Also there was a letter from Pietje verliefd (in love). It said that the teacher wanted a date.

We were told by Sinterklaas that we would play a game with the gifts we have packed.

Anyone can pick up three gifts and then we celebrate Sinterklaas.

More about that game in Blabla nr 8.
