

the week of the money

A former student from our school visited us this week.
His name is Samuel and he is working in the SNS bank.

Samuel came to teach us about

THE WEEK OF THE MONEY

In this week you can get a lot of information about money.

At first we talked about money, and later on we played the Big Money Game.

There were 3 groups

- 1.Hakunamatata's
- 2.Smartsmiley's
- 3.Smurfen.

Every group need to answer the questions, to earn fake money.
the first group that earned fifteen euro was the winner.

Finally the smartsmiley's were the winners.

At the end everyone had a money-box and you could write on it what is your goal for saving money.

It was a very interesting afternoon and we learned a lot!

the end of chantal and glenn.
