## The coming BLABLA's

We hope you all enjoyed our last 10 BlaBla's. Now, we want to do something different. Some of the children in our group are really good in writing stories. So, in the next BlaBla's you will sometimes find a story written by one of the children. This story can be about anything, but it is fiction. Some of the BlaBla's will be the same and tell you about what happened in our group. We hope you will enjoy the next BlaBla's! It would be nice if we get some back, maybe also with a story?

Hope to hear from you soon!

The teachers from group 8
