

The Bethlehem Event!

On December 18th we had The Bethlehem Event.

There was a journey of 1.5 kilometres. During the walk you could see pieces of the story of the birth of Jesus. On the playground there were

tasty hot things. And things for charity. There were several including the Angelic Choir, in Choir also children from group entered. There were also filming everything, we will see that film in a while. There were 170 volunteers and there were more than 600 tickets sold. The story ended at the Ontmoetingskerk (the church) where a concert was given. It was really great!
